HealthForce Fusion is a dynamic, hands on enrichment experience connecting students to the future of healthcare, STEAM, and college life through cutting edge technology, real world simulations, and unforgettable community experiences.

Technology That Changes Everything

-  zSpace Computers — Interactive 3D science exploration
-  Anatomage Technology — Virtual dissection at a medical professional level
-  Immersive Rooms — Learning environments beyond any textbook
-  The Pitt Escape Room — Inspired by the award winning series The Pitt, students step inside a real emergency department simulation, working as a team to solve critical medical challenges. Not just a game. A career changing experience.

Explore. Experience. Discover.

-  Campus Tours — Brescia, OCTC and Kentucky Wesleyan
-  Museum Visits — Local and regional cultural experiences
-  Friday After 5 — Live music and community energy on the Owensboro riverfront

Stay Overnight Your Way

-  On Campus at Brescia University or Kentucky Wesleyan College
-  Downtown on Owensboro's famous Ohio River waterfront

Either way, students leave with memories, friendships, and confidence that last a lifetime.
